Allowable Subject Matter

1. Claims 1, 2, 5-11 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art taken singly or in combination does not teach or suggest, a method for generating an uncached image, among other things, comprising

constructing the uncached image at least from the located first and second components.

The closest prior art, Melen et al. (U.S. Patent No. 6,631,205) teach locating a first component and a second component that are related to an uncached image, the first component and the second component including component tags and component payloads, the component payloads including image information, and constructing an image based on the located components.

However, the constructed image as taught by reference Melen et al. is a newly constructed image, not the original 'uncached image'.

Conclusion

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
